

TENNIS

We have a very active tennis club here at Royal Wood. It cost just \$30.00 to join. Fill out the form with your name, address, telephone number, email address, Member number and circle you're playing ability. Turn the form into the office, pick-up a Tennis Booklet and the office will charge your account.

Every week there are sign up sheets posted on the bulletin boards at the Club tennis courts. Women play on Mondays, Wednesdays and Fridays – Men play on Tuesdays and Saturdays and Mixed Doubles are played on Thursday mornings. All the courts in all of the villages and at the club house are reserved from 8:00AM to 10:00AM for club play. Sign-up on the separate sheets for the days you would like to play that week. We have several different schedulers who set up the matches. The day before you are scheduled to play, check back at the board to see where you are playing and with whom. In fairness to the other players, please make sure that if you sign-up and are scheduled, that you show up.

Our tennis club also has several tennis functions during the year. If your spouse will be attending these parties, but does not play tennis, there is a \$10.00 fee for the season. Again, the sign-up sheet for these functions, which are held at the Royal Wood Club, are posted on the bulletin boards at the club tennis courts. They will give you information about the theme of the party, the menu and cost.
